Talk Time

Standby

### *Stay in touch with style!*

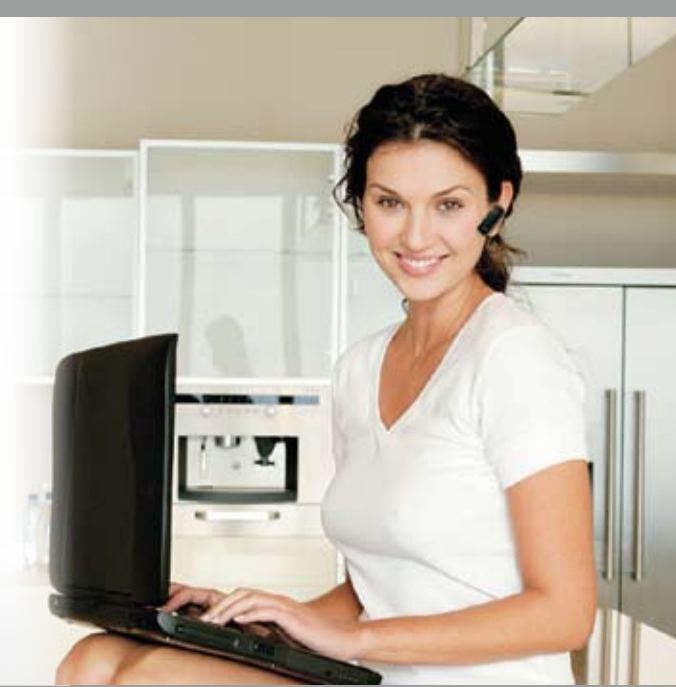

- Easy operation with one multifunctional button for all calling functions.
- Long-lasting battery life for 1 week usage with quick charge of simply 2 hours.
- 2 types of ergonomic ear buds and 6 sizes in total for your wearing comfort.

# VOX™

## Bluetooth Headset

### Stay in touch with style!

One simple button is designed for multifunctional control. The stylish VOX™ provides easier-than-ever communication experience with great sound quality.

#### Long-lasting battery life with quick charge

Proprietary energy saving technology keeps the battery life long lasting. A 2-hour quick charge allows you to talk for 6 hours and standby for a whole week!

#### Bluetooth 2.0 + EDR

Equipped with Bluetooth 2.0 + EDR, VOX™ provides you stable wireless communication and crystal clear sound quality!

#### Ergonomics ear buds for wearing comfort

Two types, six in sizes ear buds provide the ultra comfort to Bluetooth headset wearing. Proprietary Perfect-Fit ear buds feature the ergonomic shape to conform to your ears without the feeling of any intrusion, while the In-Ear buds keep the voice inside and block the noise out. The choice is yours!

### Multifunctional button for easy operation

Incorporates answer/end, voice dial, redial and mute into one simple button for ease of use.
